L30W20-12P Test Case	Packing: Paper Cartons , with EPE foam holders inside , suitable for international transportation. Product size : 30*W20* H 13 CTN size : L 34*W24* H 17 Net weight : 2.9KG Gross Weight:3KG Volume weight : L 34*W24* H 17/5000	1,Without Tube socket, build-in a stored box inside 2, It can test AC and DC12V. 3,Regular lamp socket , One-on-one switch , and dimmable 4, Nice appearance , easy to carry. Product details please refer to the function		
L35W21-12P Test Case	Packing: Paper Cartons , with EPE foam holders inside , suitable for international transportation. Product size : L35*W21* H 14 CTN size : L 37*W24* H 17 Net weight : 3KG Gross Weight:4.5KG	1,Without Tube socket, build-in a stored box inside 2, It can test AC and DC12V. 3,Regular lamp socket , One-on-one switch , and dimmable 4, Nice appearance , easy to carry. Product details please refer to the function		
L42W28-12P	Packing: Paper Cartons , with EPE foam holders inside , suitable for international transportation. Product size : L42*W28* H 21 CTN size : L 45*W31* H 27 Net weight : 8.85KG Gross Weight:9.5KG Volume weight : L 45*W31* H 30/5000	1,Without Tube socket, build-in a stored box inside 2, It can test AC and DC, but the meter is for AC, no DC datas can be displayed. 3,Regular lamp socket , One-on-one switch , and dimmable ,(The built-in voltage regulator can simulate test voltage test environment at home and abroad) 4, Nice appearance , easy to carry. Product details please refer to the function		

<p>L42W28-13P</p>	<p>Packing: Paper Cartons , with EPE foam holders inside , suitable for international transportation. Product size : L42*W28* H 16 CTN size : L 44*W30*H 18 Net weight : 4.5KG Gross Weight:5KG</p>	<p>1,Without Tube socket, build-in a stored box inside 2,It can test AC and DC contrasted directly. 3,Regular lamp socket , One-on-one switch , and dimmable 4, Nice appearance , easy to carry. Product details please refer to the function</p>	 <p>4228-13P LED 展示箱</p>	
<p>L68W33-13P Belt pulley, shake handhandle</p>	<p>Packing: Paper Cartons , with EPE foam holders inside , suitable for international transportation. Product size : L68*W33* H 19 CTN size : L 70*W35*H 21 Net weight : 10.5KG Gross Weight:12KG</p>	<p>1,Three 60cm T8 sockets, a stored box inside. 2, It can test AC and DC contrasted directly. 3,Regular lamp socket , One-on-one switch , and dimmable 4, Nice appearance , easy to carry. Product details please refer to the function</p>	 <p>6833-13P LED 对比展示箱</p>	
<p>L1280-13P Belt pulley, shake handhandle</p>	<p>Packing: Paper Cartons , with EPE foam holders inside , suitable for international transportation. Product size : L127*W33* H 19 CTN size : L 130*W35*H 21 Net weight : 18KG Gross Weight:21KG</p>	<p>1,Three 60cm 120cm T8 sockets, a stored box inside. 2, It can test AC and DC contrasted directly. 3,Regular lamp socket , One-on-one switch , and dimmable 4, Nice appearance , easy to carry. Product details please refer to the function</p>
